

Election of Honorary Treasurer of Council

Purpose:

To elect an honorary treasurer of Council.

Summary:

The Council in Standing Orders requires that:

At the first meeting of the Council in each year, or after a vacancy has occurred in the office of the Honorary Treasurer, the Council shall elect from among the Council members, an Honorary Treasurer who shall exercise general superintendence over the income and expenditure of the Council.

The registrar has emailed each member of Council to ask for nominations which will need to be seconded.

At Council the registrar will announce the nominations and if there be only one nomination (which has been seconded) that member will assume the responsibility of Honorary Treasurer. Should there be more than one nomination the registrar will announce a ballot: in such circumstances the Chairman will adjourn the meeting for sufficient time for a ballot to take place.
